

2009 Summer Reading Program

St. Augustine Catholic School Library

Read a minimum of 8 books to create a beautiful garden!

BOOKS MUST BE AGE APPROPRIATE

Every book is a flower, the words, oh so sweet,
pirates and dragons and friends that we meet.

Every book is a gift of wonders to see,
planets and spaceships and sailors on seas.

Every book is a fantasy and every book is a treasure,
that you can enjoy at your very own leisure.

Every book that you read can take you somewhere,
please help these books grow in this garden so rare!

Return this form when school starts
to receive your prize.
