

Soccer

This was a fun and exciting year. Under the guidance of two great coaches, Javier Valencia and our very own Principal Rose Filteau, these two lead our soccer team to the playoffs. They did an outstanding job with the kids and the 2009-2010 soccer season promises to surpass that.

I would like to add that our soccer team looked very professional in their "NEW" uniforms. The uniforms were so graciously donated by Johan and Maria Zaayman. The Cougars and I would like to say "Thank you" and you all will be missed. We wish you well on the new path that God has chosen for your family. The Zaaymans will always have a place in our hearts and a home to come back to.

If you would like to volunteer to coach soccer please call me at 713-910-0045 or 281-701-6443. If standing in the sun with a smile on your face is your thing then coaching soccer is for you... plus... "Free shin guards"... Trust me they are needed.

Baseball

Although we were not able to have a boys baseball team this year, don't count us out. I am confident that we will have the necessary people and items in place to participate in the 2009-2010 baseball season.

Coach Gabriel

Girls Basketball

It is with a heavy heart that I bid the girls varsity farewell. Since there were only 6 players, Anna, Illeanna, Haley, Valora, Nina, & Tiffany, we practiced together. I was able to see firsthand their hard work, dedication, team work and above all, their sense of humor. You all are a great bunch of girls and kept me laughing. This upcoming year will be just as exciting. The new fourth graders are able to participate and we look forward to seeing them join the Cougars.

Coach Stubbs, you did an excellent job this year and wait with great anticipation to see what you will accomplish in the 2009-2010 sports year.

If you would like to volunteer to coach girls basketball please call me at 713-910-0045 or 281-701-6443. We offer indoor training, a/c and... Coach Stubbs will throw in a..."Free clipboard".

Boys Basketball

We were very excited with the number of boys that came out to play. We were able to have 3 teams, Boys "C", Boys "JV", & Boys "V". This meant that the boys received a lot of playing time. The children that are just now entering the fourth grade will be able to play. I know several that have been playing at the YMCA while they waited. I am looking forward to seeing great things come from them as well as the returning players.

To the 8th grade boys, Jared R, Eddie, Jacob, Bobby, Christian, David, and Jeff. It was both an honor and a privilege to help coach you all. It was impressive to see you all play as a "team". Your sportsmanship was matched by no one.

I watched you all play with "all heart", I now know how far it can take you. I wish you well in your new schools. I say so long instead of good bye, for I know our paths will cross again..."GO COUGARS!!!"

If you would like to volunteer to coach basketball feel free to call me at 713-910-0045 or 281-701-6443. Being there to see the kids develop is priceless... and you get "A free whistle"

Cougar Sports Club

To All Parents:

As we come to an end of another school year, I would like to thank all the parents for all their support. It was a fun and exciting year. The 2009-2010 sports year promises to be a year of renewal. The sports club will be hosting "The Cougar Classic", which is a boys varsity basketball tournament. We will also be holding different fund raisers. We are aware of the expenses of playing sports, which is why this year we will invite parents to sports club meetings. These meetings will be for questions, fund raising ideas, and to ask your input on what we think is needed in our sports program. We are looking forward to a fun and exciting up coming year.

We are always in need of coaches for all sports. If you would like to volunteer please call me at 713-910-0045 or 281-701-6443. We offer hard work, long hours and... a "free" St. Augustine T-Shirt. Who can turn that down?

Coach Gabriel

The most valuable thing we can give to our Children is our time...
